M-Step Social Studies Test Review

The 2017 M-Step testing window is quickly approaching. In the past, we have found it extremely beneficial for students to review the social studies content prior to taking the test.

The bulleted items below must be completed and I-Learn Course completed before 1st hour on Wednesday morning, April 12. Parents must sign below indicating that students put forth a maximum effort and complete the I-Learn Course and Quizlet time independently. Students who complete all of the listed items will receive extra credit from their social studies teacher, as well as an entry into a drawing for a paid Cedar Point admission and bus ride.
