Northwestern University's Midwest Academic Talent Search (NUMATS) is a research-validated, above-grade-level testing program that offers EXPLORE, ACT, and SAT to eligible students.

Although participation in NUMATS is voluntary, students like your child can benefit from:

- Information about their ability that grade-level tests do not provide
- Academic planning and resource options based on test scores
- Information about education programs for gifted students
- Experience and practice taking EXPLORE, ACT, and SAT, which are used to measure college and career readiness

All information is available on the Counseling Department's blog.

https://iblog.dearbornschools.org/bryantcounseling/

I also suggest that you visit the NUMATS website at www.ctd.northwestern.edu/numats. This website contains all the information needed to make an informed decision, including the fees and registration deadlines.

The registration process is completed at home.

The online registration process will request Bryant Middle School's NUMAT School i.d. number. The number is: 8200517

Students are welcome to approach me with any questions they may have or I can be emailed at Renkok@dearbornschools.org.

Sincerely, Kevin Renko
Dear Families,

The Box Tops for Education program is changing the way we can earn cash for our school!

Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school’s earnings online.

BE SURE TO DOWNLOAD THE NEW APP OR UPDATE YOUR EXISTING APP:

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can “double dip” during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!

Dear Parents/Teachers:

I hope everyone had a relaxing summer vacation and is excited to return to school. We have been working hard over the summer to add some new items to each campus and wanted to share some of the changes with everyone. We are pleased to announce that SFE (Southwest Foodservice Excellence) became the new food service management partner at Dearborn Schools on July 1, 2019. As a result of this partnership, we are pleased to announce the following changes:

- All meat served district-wide will be certified halal. More information is available on the foodservice website.
- All meals district-wide will continue to be free.
- We pledge a focus on fresh-from-scratch cooking and menu variety.
- Fresh fruit and vegetable salad bars will be available daily at lunch. While this will be free for students who purchase a meal, salad bar access also will be available as an a la carte option.
- Full nutritional information is posted for all menu items on the Dearborn Schools website.
- The Roving Chef program is available. This fun and interactive culinary program will provide principal-selected students with special instruction in nutrition, proper food safety/cooking techniques and healthy meal preparation—all while working alongside a real chef.
- A variety of entrées will be offered daily to appeal to student tastes and preferences, with on-trend culinary concepts that include recipes from a variety of cuisines.
- A selection of 3 entrée choices will be offered daily for Elementary students, consisting of the menu items listed above. Middle Schools will have 4-6 options and High School students will be offered 6-8 options daily.
- A dedicated team of professionals including chefs and nutrition coordinators will be in Dearborn daily working with staff and students.

Along the way, we plan to request frequent feedback from our students through regular taste tests and panels. That’s because we are dedicated to creating custom menus and programs that get every student excited to eat at school, knowing they will find nutritious foods that they love. Above all, like you, we want to be sure that they are happy, healthy and well-nourished to learn.

We welcome feedback from you, as well! If you have any questions or concerns, please feel free to contact me: joshua.bain@sfellc.org

Sincerely,

Josh Bain
Sr. General Manager of Nutrition Services

The first menus are already posted at https://dearbornschools.nutrislice.com/menu/.
Dear Students and Parents:

We wanted to share two important updates with you.

Firstly, we have been working with our food service to introduce a new menu feature called "Roving Chef". This program will be rolling out to all schools in the district next month, with regular appearances at each school. The Chef will be serving up new and exciting dishes, all while teaching our students about healthy eating and nutrition.

Secondly, we would like to remind you that our website has been updated with new information about our lunch program. You can find it at [https://dearbornschools.nutrislice.com/menu/](https://dearbornschools.nutrislice.com/menu/).

Thank you for your continued support.

Sincerely,

Joshua Bain
Director of Food Services

Morning and afternoon traffic in and around Bryant can be very busy. We have a separate lane for bus use. The bus lane on Rex Street is dedicated for busses ONLY during the morning drop-off and afternoon pick-up times to allow busses to safely load and unload students. Please do not enter the bus lane between 7:30am-8:15am or 2:30pm-3:30pm. Thank you in advance for your support!
