Athletic Physical Forms for 2021/22 School Year

For your planning purposes, the MHSAA has announced that all athletes playing a school sport in the 2021-22 school year will need to have a new athletic physical on file before participating.

We **will not** be using the health questionnaire next school year. The MHSAA physical form can be found here: <https://www.mhsaa.com/portals/0/documents/health%20safety/physical2page.pdf>.

Also, any physical dated after 4/15/2021 is valid for the 2021-22 school year so it's ok to start completing this requirement now.

COVID-19 screening tool

Staff and visitors, if you answer "yes" to any of these questions, you must stay home from school today. Parents and guardians, if your child would answer yes to any of these questions, they must be kept home from school.

Question 1: Do you have any **new, unusual** or **worsening** symptoms listed in Boxes A and B below?

Box A

- Fever? (100.4°F or higher)
- Cough?
- Shortness of breath?
- Difficulty breathing?
- Loss of smell or taste?

Do you have at least **one** of these symptoms?

☐ Yes ☐ No

Box B

- Vomiting or diarrhea?
- Headache?
- Sore throat?
- Runny nose and/or congestion?
- Body aches and/or tiredness?

Do you have at least **two** of these symptoms?

☐ Yes ☐ No

If you answered "yes" in either box above, then **stay home** and consult your primary care doctor. If a doctor determines the symptoms are due to another diagnosis, or if COVID-19 is ruled out, you may return to school after at least 24 hours fever-free without the use of fever-reducing medicine and without vomiting.

Question 2: In the last 10 days have you been identified as a close contact of anyone who has had a positive COVID-19 diagnostic test? You may answer "No" if:

- It has been more than two weeks since you received the second dose of the Pfizer or Moderna vaccine or one dose of the Johnson and Johnson vaccine
- Within the past five months you had a positive PCR test for COVID, unless the test was within the last 10 days.

☐ Yes ☐ No

If you answer "yes", then **stay home** to quarantine for at least 10 days from the last exposure to the close contact. In some situations, you may be able to return sooner with regular COVID testing. See our current quarantine guidelines. If symptoms appear, you must stay home for at least 10 days after your symptoms started and until any cough, fever or other symptoms have improved. (See symptoms section above.)

Question 3: Have you returned from international travel in the last 10 days? You may answer "No" if you had a negative COVID test (PCR or rapid) after returning to the United States.

☐ Yes ☐ No

If you answer "yes", then **stay home** until you have a COVID test and the results are negative.

If you test positive for COVID, please report that information to your school office as soon as possible to assist with contact tracing. For questions, contact the Wayne County Health Department at (734) 727-7078,
