

# EVERYONE IS INVITED! **Tree Planting Opportunity**

On October 8th, 2022 Bryant Middle School will be volunteering to plant trees with the Greening of Detroit organization. We will be planting trees from 9 am - 12 pm, rain or shine. We are looking for about 15 volunteers that would like to help participate in planting trees. At this time the exact location is still to be determined. Any students interested in volunteering will need to provide their own transportation to and from the site. Parents are encouraged to stay and participate but that is not necessary as there will be staff chaperones.

Anyone interested in volunteering should complete the Google Form posted on the school's blog.
