# Spring parent-teacher conferences moved up to March

The district has moved spring parent-teacher conferences up from April to March for all three building levels.

The earlier conferences will help alert parents sooner if their child is struggling in school and will allow more time for students to improve their grades before the end of the year. Holding conferences in March also moves them away from the required state testing most students have in April.

The new conference dates are:

- High school on Monday, March 13, 2023.
- Middle school on Wednesday, March 15, 2023. This includes all grades at Lowrey, McCollough/Unis, Salina Intermediate and Dearborn Virtual K-12.
- Elementary school on Thursday, March 16, 2023, excluding the schools listed above.

Parents can check their child's grades, attendance and more any time during the school year through [Parent Connect](#).

Find the current school calendar information any time on the district's [Calendar web page](#).

*Dearborn Public Schools*

Dear Parent or Guardian:

We are pleased to inform you that Dearborn Public Schools will be participating in the Community Eligibility Provision (CEP) as part of the National School Lunch and School Breakfast Programs for the School Year 2022-2023.

The GREAT NEWS is that ALL students enrolled at our school can receive a healthy breakfast and lunch at NO CHARGE to your household each day.

In place of the Free and Reduced-Price Meal Application we still need your household to **fill out and sign the Household Information Form\***. This report is *critical* in determining the amount of money that our school receives from a variety of State and Federal supplemental programs like Title I A, At-risk (31a), Title II A, E- Rate, etc.

These supplemental programs have the potential to offer supports and services for our students including, but not limited to:

- Instructional supports (staff, supplies & materials, etc.)
- Non-instructional services (counseling, social work, health services, etc.)
- Professional Learning for staff
- Parent and Community engagement supplies and activities
- Technology

We are asking that you please complete and submit it as soon as possible to ensure that additional funding for our school is available to meet the needs of our students. All information on the report submitted is confidential. Without your assistance in completing and returning the attached report, our school cannot maximize the use of available State and Federal funds.

If we can be of any further assistance, please contact your child's school.

Sincerely,

**Jeff Murphy**  
Food Services Director

***\*The above-referenced form will be mailed to Bryant families.***

A large note with the student name will be posted on the board. They should remove the note and bring it to the office to retrieve the item. This includes, but is not limited to: lunch, homework, instruments, keys, money, backpacks, donuts, gym clothes, sock, shoes, swim wear, books, etc. This is to reduce interruptions in the classroom.
