PARENTS/GUARDIANS BRYANT NOTIFICATION CENTER

Please remind your child to check for their name on the Student Item Pickup Board located in the hallway between the main front doors and the office for items that have been dropped off in the main office. A large note with the student name will be posted on the board as time allows. Your student should remove the note and bring it to the office to retrieve the item. This includes, but is not limited to: lunch, homework, instruments, keys, money, backpacks, donuts, gym clothes, sock, shoes, swim wear, books, etc. This is to reduce interruptions in the classroom.

The office staff will not interrupt class for forgotten/dropped off items.

Sports

Athletic Physical Forms for 2023/24 School Year

Any student who wishes to try out/participate in any sport:

A current MDHHS sports physical is required for students trying out for sports. A current sports physical is one dated 4-15-2023 or after. All athletes playing a school sport in the 2023-24 school year will need to have a current athletic sports physical on file before trying out, no exceptions.

A sports physical is not the same as a general physical or vaccine/immunization record you turn into the office.

The MHSAA sports physical form can be found here:

FBI Warns of Online Groups Targeting Minors

The FBI is alerting the public to the deliberate targeting of minor victims by violent online groups on widely accessible messaging platforms. These groups aim to coerce victims between the ages of 8 and 17 years old to produce content involving self-harm, explicit sexual acts, and/or suicide. Being specifically targeted are LGBTQ+ youth, racial minorities, and those struggling with mental health issues. Utilizing threats, blackmail, and manipulation, the groups exert control over victims by pressuring them. There are many active group names including 676, 764, CVLT, Court, Kaskar, Harm Nation, Leak Society, and H3ll, with subgroups continuously formed under different nicknames. For additional information, visit [Campus Safety Magazine](#).

When to Keep Your Child Home From School

Coronavirus Infection Disease 2019 (COVID-19)

Children with a positive COVID-19 test or displaying symptoms of COVID-19 should stay home until they have had no fever for 24 hours without use of fever-reducing medication AND improvement of symptoms AND have isolated for the appropriate amount of time as recommended by our local health department.

Chickenpox

Keep child home until they have no new sores for 24 hours AND all sores are dried and crusted. During an outbreak of chickenpox, children who are NOT vaccinated for chickenpox (Varicella) and have been in close contact with someone sick with the infection will not be allowed at school for 21 days after they were last exposed to chickenpox, even if they are not sick.

Diarrhea

Keep child home until seen by a doctor and treated if needed. The school may request a doctor's note to return to school.

Fever

Keep child home with a temperature of 100.4 degrees or higher. Keep child home until fever-free for 24 hours without using fever-reducing medicines such as Motrin and Tylenol. Contact your child's primary care physician and provide a doctor's note for their return to school.

Flu-like symptoms

Sudden onset of fever, chills, muscle aches; may also have vomiting and diarrhea. Keep child home until symptom-free for 24 hours. Contact your child's primary care physician and provide a doctor's note for their return to school.

Head Lice

Keep child home until treatment is completed and no eggs closer than 1/4 inch to the scalp and all live lice are gone.

Vomiting

Keep child home until no vomiting for 24 hours.

Impetigo

Keep child home until treatment has been started. Lesions must be covered while in school.

MRSA

Keep child home if sore is draining, and cannot be covered with a clean, dry bandage. Keep child home if they cannot keep from picking at sore.

Rash

Keep child home until seen by a doctor and treated if needed. The school may request a doctor's note to return to school.

Strep throat

Keep child home until 24 hours after the first dose of antibiotics has been started.

Pink eye

Keep child home until 24 hours after the first dose of antibiotics has been started.

Ringworm

Keep child home until seen by a doctor and until treatment has been started. Area must remain covered at school until completely healed.

Scabies

Keep child home until treatment is completed.

Abdominal Pain

Keep child home with abdominal pain that continues for more than 2 hours.
