

2024 Pink Shirt Day Banner Contest

*This year and in year's past we are trying to remind others to Stop Bullying. In honor of Pink Shirt Day, we will hold a banner contest. Be creative and have fun while remembering that your banner should represent an anti-bullying message. You should create your design on white printer paper, it **MUST** be colored, and your name, 1st hour teacher, and grade must be on the back of the paper. The contest will be held from Friday, September 6th to Wednesday, September 25th. The winner of the banner contest will see their work hung up in the cafeteria for years to come. Thank you for participating!*
